## **Our Schools**

Wildflower schools are very small -- typically one- to two-classrooms. We are committed to equity, and unite intentionally diverse communities of children, families and teachers in a shared pursuit of interconnectedness, justice and peace. Wildflower schools are Montessori schools with certified teachers who embrace the qualities of authentic Montessori education - mixed ages, the full complement of materials for each age group, and a child-led, individualized approach within a beautiful, peaceful environment. Embedded within this beautiful diversity of experiences and perspectives, there are [nine principles](#) that unite our schools.
